BC Coastal Girls Soccer League

BC Coastal Girls Soccer League

Welcome:

The BC Coastal Girls Soccer League (BCCGSL) accepts affiliation of competitive girls divisional teams from the following Coastal Districts:

1. Central Fraser Valley Girls District (aka CFVG)
2. South District Girls Soccer Association (aka SDGSA)
3. Vancouver Youth Soccer Association (aka VYSA)
4. North Shore Youth Soccer Association (aka NSYSA)
5. Richmond Soccer Association (aka RSA)
6. Tri-Cities Soccer Association (TRD)
7. Allouette District (ALO)
8. Burnaby Youth Soccer District (BYD)

Each year the league has 500+ teams in 50+ schedules. This is a significant number of teams and the smooth operation of the league requires that you understand the rules. As a coach you must be aware of several guides and rules that govern activities off the field of play:

1. Your Club Bylaws, Constitution and Policies
2. Your District's Bylaws, Constitution and Policies
3. The League's Bylaws, Constitution and Policies and Operating Rules
4. BC Soccer's Constitution, Bylaws and Rules and Regulations

On the field the rules are governed by FIFA and by rule variations, such as game length, ball size and number of substitutions as published in BC Soccer's Rules and Regulations.

Have a good year and above all remember this is a kids sport played for the enjoyment of the kids.

Rights of the League to override rules

The league reserves the right to override rules and guidelines where exceptional circumstances exist.

BC Coastal Girls Soccer League

1. LEAGUE OPERATING INFORMATION

1.1. *Mandate*

- 1) To manage league play for affiliated girl's competitive teams from associated Districts in the Coastal area.
- 2) To ensure each division and level provides for competitive play.
- 3) To manage league cup play
- 4) To manage additional cup play as determined by the League governors

1.2 *Volunteers*

All positions of the League are filled by volunteers. Almost all volunteers perform duties with their Districts, Clubs and teams. These people form the volunteer backbone of amateur youth soccer.

The League also relies on volunteers to act as statistics collectors. Collectors usually have no more than 3 league schedules to take care of. If you are willing to act as a statistics collector please tell your District League Representative by August 15.

Besides collecting game scores, stats collectors may also be asked to follow up on a score by the league, provide answers to simple questions by coaches (or direct coaches to speak with their District League Representatives).

BC Coastal Girls Soccer League

2. LEAGUE SCHEDULES

Over 50 schedules are generated each season and it is not unusual, during the first two weeks of play, to have 1 or more revisions published. The scheduler puts in a lot of time and tries to balance the schedules as much as possible. It is not possible to do this for 13 and 14 team leagues and as a result some teams will have more games or byes than other teams.

Schedules are of a fixed length which may result in unbalanced schedules.

2.1. *Affiliating teams*

Districts are asked to provide the scheduler with a list of teams and contacts by the deadlines posted in the important dates table. The earlier and more complete the data is, the earlier the schedule will be published.

The team information required is:

- Team Name (do not leave this blank or a name will be assigned by the scheduler)
- Age Division (U12 – U18)
- Level of play (Bronze, Silver, Gold)
- Strength of team (Strong, Average, Weak) – Used for league tiering
- # of returning players
- Primary contact name and number (does not need to be Coach or manager)
- Secondary contact name and number - (does not need to be Coach or manager)
- Home/Away pairings (i.e. which teams will share home and away on the same field and time) (Please refer to special instructions on home/away pairings)
- Special instructions for placement (i.e. two teams from same Club not on same schedule). There is no promise that these requests will be accommodated.
- Email address - (does not need to be Coach or manager)

Requests for changes to published information must be directed to your District's BCCGSL Rep. Each year multiple schedule revisions are published because of the many changes to team names and contact info. The League has set the following deadlines for changes for the 2011-2012 season:

2.1.1 **Deadlines for submitting changes to information on schedules**

- a) Team Names – Last Sunday in August – changes submitted after that will not be published until Thanksgiving.
- b) Contact name, phone numbers – Last Sunday in August

BC Coastal Girls Soccer League

2.1.2 Home/Away Pairings

Teams that share a field and time slot are said to be paired. That means that when one team is home the other will be away. The League allows Clubs/Districts to declare which teams are paired. To ensure that your requests for pairing can be accommodated they must be submitted by June 30. In addition there are some rules that must be adhered to:

- a) MSL teams cannot be paired with a BCCGSL team
- b) U12 Gold can only be paired with other U12 Gold teams
- d) U13-U18 Gold and may only be paired with each other
- e) U13 –U18 Silver and Bronze may be paired with each other

The league scheduler reserves the right to assign pairings where needed.

2.2. *Distribution of teams*

Teams are distributed across the schedules in one of two ways:

Tiered – Standings from the previous year and information provided by Clubs/Districts on team strength are used to rank teams. Schedules that are tiered end in a number

Geographic –Schedules are formed by geographic proximity. Those schedules that end in a Letter are geographically formed.

For the 2011/2012 season the following schedules shall be tiered:

- U13-U18 Gold and Silver

For the 2011/2012 season the following schedules shall be in geographic proximity

- U12 Selects/Gold
- U13 – U18 Bronze

BC Coastal Girls Soccer League

2.2.1 Requests by Club

A Club may request, through their District, to place teams in certain groups or “with” or “not with” certain teams. These instructions must be received no later than 15 days after the affiliation deadline to be considered. Such requests will be accommodated where possible.

2.2.2 Requests by District

The District may request that all teams in the District in a certain level be placed in specific groups. Usually this means that all teams from a District will be in the same group. This may include teams that play on Saturdays.

2.2.3. By League Scheduler

The League scheduler attempts to balance numerous requests and may not be able to accommodate them all.

2.2.4 Policies related to scheduling

3 policies exist that are related to schedule creation and maintenance. Please read them so that you are aware of the activities and restrictions related to schedules.

2.2.4.1 Policy on schedule creation and maintenance

2.2.4.2 Policy on team movement (includes promotions and demotions)

2.2.4.3 Policy on approving schedule formats

2.3. *Start of League play*

2.3.1. Accommodating Cup play

The schedule has several dates that have no league games scheduled and have the words “Cup Selection”. These dates are reserved for round play which will determine which teams will advance to the elimination rounds for cup play at the end of the season. Separate rules for cup selection play are available on the League’s web site. Unless there is an odd number of teams in a group all teams will play each day.

2.3.2. The schedule

The schedule usually starts on the first weekend after Labour Day and runs to the last weekend in February or first week of March. Some dates are labeled “spare”. These dates occur just before and just after the winter break. These dates should be used to replay games postponed in the first half of the season.

BC Coastal Girls Soccer League

2.3.3. Holiday Breaks

No League games are scheduled for the Thanksgiving weekend. If you are entering a tournament enter early.

We also have a 3 to 4 week break at Christmas. The League schedule starts in the first weekend after school recommences. All the volunteers, parents and players get to have some rest after 3 months of games.

2.3.4 Publishing League Schedules

The schedule, and other League information, is distributed to each District rep. The District League reps will then distribute to Clubs. Club or District schedulers may request a copy of schedules or related changes sent by email direct to them by contacting the league at bccgsl@telus.net (subject: schedule distribution list)

Schedules will also be published on <http://www.bccgsl.ca>

In the event that information on the web differs from information provided direct to each District's League Reps, the information provided by District League reps shall be used. It is therefore imperative that District League reps ensure that schedules and other information from the League be distributed in a timely fashion.

All efforts will be made to prevent changes to the schedules once published before the Thanksgiving weekend. However scheduling errors do occur and there may be a need to publish an emergency update, so please ensure that your opponent has the same information as you. When calling an opponent please ensure that you identify yourself and your team clearly.

2.3.5 Requesting Changes

Gold and Silver Teams are not permitted to change team names once the League starts. We expect these teams to be formed early and to have picked their team name early. Since Bronze teams, in some Clubs, are not completely formed until the Labour Day weekend, the League will permit a change of team name if submitted by Oct 1. These requests MUST be routed through your Club to ensure that the name on the League schedule is the same as the name registered with the BCSA. Clubs must then submit the change request to the League through the District League Representative and to BCSA through the District Registrar.

BC Coastal Girls Soccer League

Under no circumstances are changes to be sent directly to the League Scheduler.

2.3.6 General queries

Questions regarding the schedule may be directed through your Stats collector or your District league rep. These volunteers will answer what questions they can and forward any they can't to the League Scheduler. Under no circumstances are questions to be made directly to the League Scheduler.

2.3.7 Complaints

It is almost certain that complaints will be made about unbalanced schedules, distribution of teams, number of byes, too many games against top competition etc. Explanations of the reasons for certain scheduling anomalies are summarized on these pages. We ask that you read this document before you resort to the phone or email to get the answer you want. If you wish to make a complaint please put it in writing and deliver it to your District League Rep. Complaints will not be accepted from any other source or form.

2.4 End of League Play

2.4.1 Last date for reporting scores

The 2012 deadline date for submitting scores or forfeit requests for league games will be Wednesday March 7, 2012.

2.4.2 Determining League Winners

The league determines winners by total points regardless of games played. The League makes every effort to ensure that all teams in a schedule have an equal number of games. There is no tie breaker formula for determining a winner when two teams are tied in points at the end of the season. Where two teams are tied at the end of the season each team is declared co-winners and each will receive gold medals.

BC Coastal Girls Soccer League

3. PRE-GAME PROCEDURES

3.1 Communications between teams

Due to the time of year and the constantly changing coastal weather, fields and times change on occasion. We ask that you make that extra effort to get all games played. The following guidelines were written with fair play in mind and with recognition that last minute changes can't always be accommodated by traveling teams.

Like all amateur sports, the soccer league, Clubs and team officials are all volunteers. The amount of time we have to resolve disputes between teams regarding game scheduling is minimal. We ask that you be flexible and work to resolve problems.

3.1.1 Etiquette of contact

Direct contact must be made with the coach; if a message must be left then call the alternate contact. If messages are left ask them to confirm that they received the message. Never assume that a message has been received.

3.1.2 Initial notification between teams

It is the home team's responsibility to call the away team. This notification should be done no later than the Wednesday before game day.

If the home team does not call the away team by Wednesday, then the Away team should/must call the Home team.

Note the home team must tell the away team whether the field is grass, gravel or artificial turf.

Also ensure that the information on the colours of Jerseys is exchanged. It is the Home team's responsibility to change colours if there is a clash; however the Away team may change jerseys if both coaches agree.

3.1.3 Notification of time changes

Notification of time changes must be relayed to the away coach by 12:00 noon on the day prior to the game.

Both teams must make every effort to get games played. Please be flexible.

BC Coastal Girls Soccer League

3.1.4 Notification of Field changes

If the home team's grass field closes the away team must be notified **immediately** (see grass/grass, gravel/gravel rule.)

Where both teams arrive at a field that has been closed to play on game day, the home team may move the game to an alternate field. Travel time between fields must be accommodated and the game must start no later than 1 hour **after** the original game time. If the travel time and start time cannot be accommodated the away team may refuse to play and the game will be made-up. In the case of a game being cancelled at game time the travelling team may elect to re-schedule the game at their field. A team may not refuse to play on an all weather sand/gravel field.

3.2 Grass/Grass, Gravel/Gravel rule

If the away team is notified that the home team's field is gravel, the away team may invoke this rule. The away team must notify the home team that they are trying to arrange for a grass field. Once a field is assigned call the home team. This call must be made by 12:00 noon on the day before the scheduled game to move the game to the away team's field.

Similarly if neither team has a grass field and the home team does not have a field assigned, this rule may be invoked and the game played on a gravel field at the away team.

For the purpose of determining good/better/best in terms of field surface use the following rating from best to worst:

3.2.1 Grass or In filled Artificial Turf

3.2.2 Astro Turf - (Livingstone, Hamber or Coquitlam Town Centre)

3.2.3 Sand/gravel

Cooperation of coaches is required and every effort **MUST** be made to get the game played.

| |
|---|
| Assignment and payment of referees is the responsibility of the team who supplies the field. |
|---|

BC Coastal Girls Soccer League

3.3 Postponing or canceling games

All games must be played by the scheduled date and cannot be cancelled or postponed because one team does not have sufficient players due to injury or illness. FIFA rules state that a game can be played with as few as 7 players on a team. The only time lack of players will be considered as a legitimate reason for postponing/rescheduling a game is:

- 3.3.1** If the players are attending a sanctioned school or church function and the team will have less than 9 players.
- 3.3.2** And a request is delivered, in writing, to the League through your District Rep 5 days prior to the game.
- 3.3.3.** And the League approves the request.

Permission to postpone or cancel games because a team is involved in a tournament is not a valid reason and shall NOT be considered by the League.

Teams may agree to play their game earlier than scheduled without league approval.

3.4 Making up games

Teams must make every effort to make up games that have not been played on their scheduled date.

3.4.1 Rules for scheduling make up games

1. The home team has 1 week from the original schedule date of the game to select a week for the replay. There is no requirement to select the actual date initially just the week.
 - a) If the week of the replay is not scheduled by the Sunday following the original scheduled date, the home team will lose the right to schedule the game. The away team will then have 1 week to schedule the replay.
2. There is no restrictions on which day of the week can be used. If playing a week night game under lights, reasonable consideration for travel time is required.
3. Allowable start time for make-up games on weekends:
 - a) Friday 6:30pm to 7:30pm
 - b) Saturday 9:00am to 8:00pm
 - c) Sunday 9:00am to 8:00pm

BC Coastal Girls Soccer League

4. When a weekend is selected for the replay the home team sets the day and time. 5 days notice of actual day and time must be given to the away team. The away team cannot refuse to play a replay game that is scheduled for a weekend.
5. Failure to either team scheduling the replay within the 2 week period will result in the game being deleted from the schedule and will not be added back the schedule unless it affects the league winner.

Should the away team refuse to play on the week set, the home team must file a forfeit request no later than the Wednesday after the replay date.

3.4.2 Disposition of games not-played

Each year a considerable number of games are not played. In order to encourage teams to get these games played the League has implemented the following rules pertaining to games not played.

a) Points will not be awarded for any games Not-Played by the January restart of League play unless an agreement exists to play a postponed game in the 2nd half of the season. Where no agreement exists to play these games, they WILL be removed from the schedule and no points awarded. This act by the League is not protestable.

b) Points will not be awarded for League games scheduled from January to the end of League play as stated in the schedule on page 5 that are not and reported by the deadline stated in 2.4.1.

BC Coastal Girls Soccer League

4. POST GAME PROCEDURES

4.1 Referees

The referee's responsibility to monitor activities does not end at the final whistle. If a player or team official's actions after a game has ended is deemed to be an infraction of the Laws of the Game, such as use of foul or abusive language or physical abuse toward other players, team officials or a game official, the referee may take appropriate actions which will result in disciplinary action against the player or Team official.

4.2 Hand Shakes

Hand shakes or other means of friendly recognition after each game is mandatory in soccer. Teams will participate in their cheers and then meet at mid-field. This is a sign of fair play.

The referee will monitor the handshakes and if a player or team official is seen acting in an unsportsmanlike manner, may issue an appropriate card.

NOTE: SPITTING on hands prior to shaking hands is not only unsporting but unhealthy. Referees still have the authority to caution or eject players and coaches after a game is completed. Note that the discipline may be up to 8 games for the first incident.

4.3 Reporting game results

The statistics collector for each schedule is printed on the bottom of the schedule along with a phone number and email address. Either method may be used to communicate your scores on Sunday night. Both teams should do this. Statistics collectors will NOT call the teams. If a score is not reported it will be shown as "NP" or not played on the game by game detail page on the web. If there is no indication from the coaches that a game is rescheduled to be replayed it will be dealt with according to rule 3.4.2

The Stats collector needs to send in their score lists and any information collected to the Age Group Score Coordinator by Monday morning to have them published on the web by Wednesday.

Do's for team officials:

- ✓ If you are not sure of the score ask the ref after the game or confer with the opposing coach.
- ✓ Identify one person from your team with a cell phone to call in the score from the field immediately after the game.
- ✓ Both Teams must call in the score win or lose
- ✓ Both Teams should also report to the stats collectors all cards shown or ejections (coaches or spectators) by the referee during a match. Please indicate which

BC Coastal Girls Soccer League

team/player was issued the card or ejected from the game. (If you are not able to get detailed information then summary information will do. i.e. Yellow card to AnyClub Storm)

Don't for team officials

- × Unless the stats collector states otherwise, please use email. If calling, don't call stat collectors after 8:00 PM unless you have been permitted to do so by the stats collector.
- × Don't call prior to 10:00 AM in the morning unless you have been permitted to do so by the stats collector.

Delays in reporting scores will result in delays in posting standings. If you want timely stats then the first step begins with you.

If you are consistently late with your scores I will call you at 4:00am on Sunday to get them.

Please note that everyone involved with the League are volunteers and hold regular jobs and there may be a delay in posting stats from time to time. We strongly urge you to refrain from making complaints regarding the publishing of standings on the web.

As goal difference does not enter into the equation as to which team will win the division championships, the Stats Collectors within the Silver and Bronze division can impose a goal differential for reporting scores on the web. The true final score should always be reported to the Stats Collector to ensure that if teams need to be reassigned that the League can react quickly.

Coaches are strongly encouraged not to run up the scores on opposing teams. Coaches and teams doing so will be reported to their District Officials for disciplinary action.

4.4 Protest filing

A protest will only be considered on the grounds of misinterpretation of F.I.F.A. Laws of the Game, on the eligibility of players, or on breaches of Competition Rules & Regulations. An affiliated team may lodge a protest with the League arising out of any League or cup game scheduled by the, League. A protest must be in writing, stating the grounds upon which the protest is lodged.

A protest of any League game must be submitted within forty-eight (48) hours of the date of the match to which it relates. In the event that the protest is mailed, the post-mark shall be taken as the limiting date in all cases.

A copy of the protest shall be forwarded by the League to the opposing team within two (2) working days after the receipt of the protest.

BC Coastal Girls Soccer League

The protest shall be signed by the team coach or manager. An emailed document is considered signed under BC law.

The protest fee must accompany the protest when filed with the League.

The fee payable to (BC Coastal Girls Soccer league if by cheque) shall be determined each year by August 15 and shall be published in appendix C of this document.

Details to be included with the protest are:

- Schedule name
- Both team names
- Date and time of game
- Location of game
- Referee number, where possible
- Grounds for the protest
 - Which FIFA Law was misinterpreted and how.
 - Ineligibility of player(s)
 - Breach of BCSCA or BCCGSL Rules and Regulations
- Signature of a Team Official (an email is considered signed under BC Law)

BC Coastal Girls Soccer League

4.5 Forfeits

Under no circumstances may a referee declare a game a forfeit nor may a coach “claim” a forfeit. Only the League has the authority to declare a game forfeited. There are few valid justifications for awarding a forfeit. A few are:

- Team used an ineligible player (a player not registered to the team or a player under suspension)
- Insufficient players to start the game.
- Last minute cancellations by team due to insufficient players
- Failure of a team to show up for a game.
- Causing a game to be abandoned

Request for forfeit is done through a “Forfeiture Request Form” available in the appendix of these regulations or contact the league administrator at bccgsl@telus.net who will send you the form in MS Word format . The form is to be completed and delivered to the League by email (bccgsl@telus.net) within 72 hours of the scheduled match game time. Once the “Forfeiture Request Form” is officially received by the Stats Collector, the League will review the request and determine an official response to the request.

If, upon availability of positive evidence, a team is found to have used an ineligible player, the team may forfeit all games in which the ineligible players participated.

Note that the League may take up to 30 or more days to evaluate a forfeit request depending on the circumstances. The League will not entertain requests for forfeits of games Not-Played. Refer to Rule 3.4 Make-up games for determination of scores.

Since goals for and against are not used to determine league champions, forfeits will be recorded as a 0-1 loss against the forfeiting team.

The league may impose a fee for a forfeit submission by a team. The fee shall be published in Appendix C in this document

4.6 Appeals

Appeals from the decision of the League shall be made to the BC Soccer Association.

The applicant for “leave to appeal” shall:

Make written application to BC Soccer's Executive Director within ten (10) working days after issuance of the District's, League's or Committee's decision, setting out:

- a) The decision sought to be appealed
- b) A concise statement of the facts; and
- c) A concise submission stating the By-Law, BCSA Rule or Regulation or BCCGSL

BC Coastal Girls Soccer League

Operating Rule that has been contravened and setting out clearly in what respect the decision is alleged to be wrong.

It is extremely important that an Appeal contain the above three items, specifically the EXACT rule or regulation that has been contravened.

Forward the said written application signed by the affiliated team coach, manager, or official; registered player or registered game official (referee, assistant referee)

Forward with the written application and the appropriate fee. The fee is published on BC Soccer's web site. The Appeal Committee may deduct an administration fee from all applications for "leave to appeal" as determined by the committee

A complete list of all rules and regulations pertaining to protests and appeals is found in the BC Soccer Rules and Regulations downloadable from BC Soccer's web site at <http://www.bcsoccer.net>

BC Coastal Girls Soccer League

5.18. *Technical area – for reference purposes only*

5.18.1. The intent of imposing structure on position of teams at game time is to bring some order to the sidelines. Coaching instructions should only be given to players from one side of the field. Separating teams and spectators allows a game official to determine whether improper language is coming from the benches or the team supporters. It also allows the game official to refer to one side of the field when substitutions are taking place. Finally it allows coaches to coach without interference from spectators or team supporters. The game officials can then concentrate all their effort on the game and one sideline and ignore the distractions that come from team supporters. In the event that team supporters are getting out of hand a game official can simply stop play and inform one or both teams to bring the sidelines under control before the game will continue. Under no circumstances should game officials have to talk to spectators.

5.18.2. **Location**

Where field conditions permit, the location of the **Technical Area or Coaching Area** is on one side of the field, that is opposite to the side of the field where spectators will be located. Players and carded Team Officials are required to be in this area at all times during game play. Carded Team Officials are required to inform and ensure that spectators of their team understand and conform to this requirement as the team is responsible for the conduct of their spectators.

NOTE:In the event that a technical areas cannot be put on a field then opposing teams and team supporters can occupy opposite sides of the field.

5.18.3. **Dimensions**

The **Technical Area or Coaching Area** will be on the opposite side of the field from the spectators. The midfield corner of the areas shall start 5 meters from the halfway line and 1 meter from the touchline and extend to a point parallel to the 18 yard line, parallel to the touchline, on either side of the halfway line. There shall be no back line. In the event that lines are not painted for the areas, each team is required to mark out this area with field cones so Team Officials, Players and Game Officials know where the technical area is. (see appendix E for diagram of field markings)

5.18.4. **Team Officials and Player Dress and Conduct in the Technical Area or Coaching Area**

Team Officials and Players in the **Technical Area or Coaching Area** must at all time be wearing a colored bib that contrasts the colors of their uniforms, track suits or rain gear. Team Officials and Players are encouraged to cheer their team on or to make positive comments about the play of the game but must do

BC Coastal Girls Soccer League

so behind the 2 meter distance from the field of play. Players must either be seated or stand in an orderly fashion for identification purposes and to avoid impending players taking Throw-ins.

5.18.5. Leaving the Technical Area or Coaching Area

Team Officials may leave the Technical Area or Coaching Area to tend to players requiring medical attention on the field at the direction of the referee. Any player requiring attention on the field must be removed from the field as soon as it is safe as per FIFA's Additional Instructions for referees, assistant referees and fourth officials "*Dealing With Injured Players*". Team Officials can leave the area to visit a changing room provided another Team Official has been informed.

Players may leave the area to visit a changing room provided they have communicated such with one of their Team Officials. It is recommended that any player leaving the area to visit a changing room is accompanied by another player for safety reasons or Team Official of the same gender. Team Officials and Players who need to leave the game early for personal reasons need to inform a Team Official. Players must be accompanied by their parent, legal guardian or guardian from the area immediately.

5.18.6. Players Warming Up

Players warming up to prepare for being substituted into the game or for staying warm can warm up in the area between their team's Technical Area or Coaching Area and the Corner Flag. While doing this, the player must be wearing a colored bib so they can be identified as an off field player. Also, they are required to not communicate with or cheer any of the players in the field of play and they must be at least 7 meters from the Corner Flag if there is a Corner Kick taking place.

5.18.7. Substituting from the Technical Area or Coaching Area (To be used for Cup play only when 4th officials are used)

Players being substituted must be accompanied by a Team Official and stand at the Halfway Line where the Team Official will hail the referee to request a substitution at the discretion of the referee. Note that players being substituted must be in game strip ready to enter the Field of Play but still wearing a bib until the referee permits the substitution. The substituting player(s) must not enter the Field of Play until the player coming off is in the Technical Area or Coaching Area and the player(s) have exchanged the bib(s) which is a visual aid for the referee when many players are substituted at the same time.

5.18.8. Technical Area or Coaching Area and Sending off Offences

Team Officials who are asked to leave the vicinity of the game must vacate the Technical Area or Coaching Area immediately. In the case of Players who are sent off they must leave the vicinity of the field of play and/or Technical Area or Coaching Area immediately and be escorted by a Team Official to their parent, legal guardian or guardian on the spectator's side of the field.
